DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 3-10, 12-19 and 21 renumbered as 1-18 are allowed.

The following is an examiner's statement of reasons for allowance: Chaudhry, the closest reference, does not teach or fairly suggest waiting for the deferred buffer to empty in response to determining that an amount of work accomplished during the execute-ahead mode exceeds a predetermined threshold and returning to a normal execution mode. It would not have been obvious to combine this feature to the system of Chaudhry.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
